

**Boston in Four Seasons Screensaver
version 1.0 Demo**

About this screen saver:

Boston in Four Seasons will take you on a tour of one of America's oldest and most beautiful cities. Through the 101 color photographs you will experience the sun-drenched days of summer on the Charles River, crisp autumn afternoons in the Boston Public Garden, Beacon Hill buried after a blizzard, spring blossoms in Back Bay, and many more scenes throughout the city and surrounding communities.

This screen saver is available for both Macintosh OS X and Windows 98/ME/2000/XP and is available for download as a demo version (containing 15 images). To purchase the full version with all 101 images, please visit <http://www.SuperMagnus.com>.

How to install:

To install this screen saver, double click on the screen saver installer icon and then choose "Install". You may also preview this demo first by choosing the "Run" button.

How to uninstall:

To uninstall this screensaver, go to the Control Panel and choose "Add/Remove Programs", find the screensaver and click on the "Change/Remove" button.

Purchasing the full version of the screensaver:

The version available for download on the website contains only 15 of the 101 images included in the full version of the screensaver. Thumbnails of all of the images can be found on the website. The full version is currently priced at only \$9.99 (USD), which comes out to less than 10 cents per picture! To purchase the screensaver, please visit

<http://www.SuperMagnus.com/win/boston>

and follow the link to "Purchase".

Legal issues:

The screen saver and the installer are provided "as is" and no guarantee is made as to their function or any problems that occur as a result of their use. All photos are copyright 2004 David Hanauer and are not to be reproduced or redistributed without permission from the author. All rights reserved.

Warranty:

There is no warranty for this program.
