

JioSoft Autorun (the Software)

Author: Michael Keeling, JioSoft.co.uk

### *Distribution Rights*

The Software comes with full distribution rights. This means you have the right to resell it and pass on those rights to others as well. You may sell it for any price you want and keep all the money. You may reproduce and distribute an unlimited number of copies of the Software either as a standalone product or included with your own product.

Each copy should include all copyright and trademark notices, and shall be accompanied by a copy of this License Document and the User Guide.

You may not modify or reverse engineer or disassemble the Software.

If you are just distributing CD Menus generated by the Software for use with your own product (where you don't intend that the user should be able to produce their own CD Menus), then you don't have to include this License Document or the User Guide.

### *Disclaimer*

The Author of the Software expressly disclaims any warranty for the Software. The Software and any related documentation is provided "as is" without warranty of any kind, either express or implied, including, without limitation, the implied warranties or merchantability, fitness for a particular purpose, or non-infringement. The entire risk arising out of use or performance of the Software remains with you.

In no event shall the author of the Software be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use this product, even if the Author of the Software has been advised of the possibility of such damages.
